Below is a matrix that depicts the number of days each month MMO is open for the given weekday for 2017/18. To determine monthly tuition, we add the days a child attends and multiple by \$21. For example, a Mon/Wed child has school seven times in September and therefore will owe \$147 for September. Tuition is not impacted by illness, vacations or WCPSS closure due to inclement weather. We simply use this calculation to keep tuition equitable and fair for one day a week children.
