

Dear Parents:

Thank you for your interest in Leesville Community Mothers Morning Out. We are a not for profit ministry with the mission to provide nurturing and professional childcare to young children. We are here to assist you in helping your child grow spiritually, mentally, physically, and socially by providing a developmental environment consistent with Christian principles.

MMO is designed for children ages 12 months through 3 years, who no longer require a morning nap, who can feed themselves, and can walk. We have a maximum of 12 children per day with a teacher child ratio of 1:4. All children are cared for together so older children can model advanced verbal and social skills for the younger children.

Specifically, our program provides learning through age appropriate activities, to include stories, music, crafts, indoor/outdoor play, and Chapel time. We enjoy sharing and learning about God and his world and feel blessed for the opportunity to share the love and abilities God has given us.

We have a wonderful and interactive music program called Musikgarten. It is incorporated into our program and the children enjoy the opportunity to sing, dance, listen, move and play. Musikgarten for parents and children is offered in the evenings once a quarter as part of MMO.

To register for MMO at Leesville, please fill out the attached registration form and fee.
